Improvements to public access along the Essex coast: Burnham-on-Crouch to Maldon.

I am writing to tell you that Natural England is looking at how access to the coast can be improved between Burnham-on-Crouch to Maldon, as I understand that you are an owner or occupier of coastal land that may be affected by the proposals. You can find out more about this in the enclosed leaflet.

We have arranged a number of public 'drop-in sessions' to allow anyone whose land might be affected an opportunity to find out more information about this project. Representatives from Natural England will be present to answer any initial queries that you may have prior to detailed planning of the route.

Details of these meetings are shown below and you are invited to join us at any time during one of these sessions:

Maldon Library, Carmelite House, White Horse Lane, Maldon , CM9 5FW	Saturday 30/01/2016	9:00 – 13:00
Burnham-on-Crouch Library, 103 Station Road, Burnham-on-Crouch, CM0 8HQ	Thursday 11/02/2016	11:00 - 16:00
Steeple Village Hall, Garden Fields, Steeple, Essex CM0 7JY	Wednesday 02/03/2016	16:30 – 20:00

Before preparing our proposals, we will aim to visit the majority of land that is likely to be affected and will contact you again over the coming months to make arrangements for this. During these visits we will, where appropriate, aim to hold individual discussions with the

owner and/or occupier of the affected land, in order to understand any specific factors which we will need to take into account in our proposals.

If you would like to continue to be kept informed about progress with this work and the consultation process, please complete and return the enclosed reply slip.

If you have any tenants or know of anyone else with a legal interest in your land (such as grazing or shooting rights) then we would be grateful if you could pass the information in this letter on to them and ask them to contact us directly.

Yours sincerely,

A handwritten signature in cursive script that reads "Claire Cadman". The signature is written in black ink and is positioned above the printed name.
